

Indicate whether you agree or not by writing a number in the gray box beside the statements.

1. Strongly disagree
2. Disagree
3. Neither agree nor disagree
4. Agree
5. Strongly agree

Note* There is extra space in each row of the chart above. Please list ways to improve under the task.

Rating	Tasks
	I developed my own understanding of the grammar.
	What other activities would have helped you develop your own understanding of the grammar?
	I understand the grammar we focused on.
	Is there anything the teacher can do to help you understand the grammar better?
	I discussed how the language works with other students to learn it better.
	Were you and a classmate able to have a dialogue about the grammar? Did you find it helpful?
	I got to practice enough with the language and I can use it on my own now.
	Would you like more practice? What kind of practice would you like? Please provide an example.

What did you like about the co-construction phase?

Is there anything else you want the teacher to know?

Is there anything else that you would like to know, or would like to have been taught before?
