4. Agree
5. Strongly agree

Rating	Tasks
	The activities brought my attention to a pattern in the language that I did not understand.
What other activities would have helped you see that there was a pattern?	
	I was engaged in the attention phase lessons.
What should the teacher do to encourage engagement in this phase?	
	I looked for patterns in the language.
What should the teacher do to help you recognize patterns or vocabulary?	

What did you like about the attention phase?

Is there anything else you want the teacher to know?

Is there anything else that you would like to know, or would like to have been taught before?

Note* There is extra space in each row of the chart above. Please list ways to improve under the task.
