

Qateryuk Retell Podcast

Your assignment is to retell the story using the illustrations from the story, on an Ipad. The illustrations have been added to the Ipads.

1. Choose a couple of the photos to narrate in your podcast.
2. You may make notes for yourself, but do not write a script. This is practice speaking and creating meaning, not writing and reading.
3. Choose someone to practice with, tell each other your narrations of the story.
4. Rehearse this as much as necessary.
5. Choose an ipad and record the picture narrations.
6. Submit the narrated pictures on Edmodo to the assignment titled “**Retell Podcast**”.
7. Students who are not seniors this year will have a chance to revisit their work for evaluation and revision.

Note* Alutiiq 3 students should narrate at least 4 pictures. Alutiiq 2 students should narrate 3 pictures and Alutiiq 1 should narrate 2 pictures. We reserve the right to require you to do more or less depending on your level of language and the time we have in class.

You will be graded on pronunciation, and the use of past tense endings, verbs and vocabulary from the story.
